Purpose

The CMA GSA Committee requested staff for the GSA agencies to coordinate meetings of the CMA CAG. Through a coordinated effort, the CAG held a meeting via teleconference due to the COVID-19 restrictions. The meeting was held on July 22, 2021 and was continued to July 27, 2022. The purpose of the meetings was for the CMA CAG (CAG) to review the Draft Sustainable Management Criteria and Monitoring Network Technical Memorandum. The Memorandum was prepared by the Stetson Engineer's team. A copy of the documents was made available to the CAG prior to the meeting at www.SantaYnezWater.org.
